Attorney Docket No.: 19789-8
For: ACYLOXY SILANE TREATMENTS
FOR METALS

DECISION

This decision is in response to applicants' "Request for Corrected Filing Receipt" filed via facsimile on 16 September 2003 which is hereby **GRANTED** as follows:

The title of the above-captioned application indicated on the filing receipt is incorrect. The proper title is "Acyloxy Silane Treatments for Metals." In addition, a review of the Domestic Priority Data indicates that the application is a 371 of PCT/US00/19646 07/19/2000, not PCT/US00/19645 as listed.

This application is being forwarded to the DO/EO/US to mail a corrected filing receipt indicating the correct title and correct Domestic Priority Data.

The application will then be forwarded to Technology Center 1700 for further processing.
